2. When was Rome founded? Choose one of the following events and say why it should be considered the occasion on which Rome was founded.
   - When Aeneas arrived in Latium
   - When the first Bronze Age settlers formed a village in the area
   - When Rome became an organised city-state
   - When Romulus and Remus were beached on the foothills of the Palatine Hill
   - When tribes unified under Romulus and the Sabine king (Tatius)
